Northwest Airlines Martin Luxury Liners — Coast To Coast

POST NWA CARD

Please address, stamp, and return to stewardess who will mail for you.

You'll thrill at the power and amazing speed of these modern, postwar twin-engine Martin luxury liners. Every new feature of comfort, convenience and performance is included. Built-in loading steps, reversible pitch propellers, soft, reclining seats, modern equipped galley, and large "picture" windows are just a few of the things you'll like about travelling Northwest Martins on short fast routes from Coast to Coast.
